

Music and Society Assignment

In this assignment you will be analyzing how songwriters can influence society. Many songs can be used to influence an individual's viewpoint or perspective, and can be tools for social change.

You will either choose your OWN song or choose a song already discussed in class. Be wise in your song choice, be sure that your song demonstrates a clear social view or message.

Song: _____

Artist: _____

The Big Idea: (5 marks)

-What is the overall message of your song?

Social Change: (5 marks)

-What is your song saying about society or social change?

Impact: (3marks)

-Do you think your artist is successful in conveying their message?

Make a Connection: (7 marks)

-Draw a connection between what the song says and your own views on society
